

Annual Agricultural Association Meeting Friday, December 9th

The annual meeting of the Gleichen District Agricultural Association will be held in the G.W.V.A. Hall at 2 p.m. on Friday, December 9th, to receive reports of the directors and for the election of officers for next year.

It is important that not only the present members of this association attend the annual meeting, but that all who are in any way interested in agriculture in any way—and who in this district is not?

The directors have done a lot of hard work during the past year and at the annual meeting is the place for all to show their appreciation of these efforts, at least by their attendance.

If you do not attend can you blame those who have worked so hard to keep the society going financially and otherwise if they find out they have had enough? Hardly.

Not only have the directors endeavored with the usual work of the society, but on two occasions the property was damaged by fire, and the same loss every year. All should take a turn and ever to help.

None who accept the responsibility. In the past several weeks has been accomplished, and it is hoped that when this district is again favored with bumper crops we will all help.

It will be the coming year—make a special effort to clear the property of individuals, and thus save the annual interest, and thus save the annual interest, and thus save the annual interest.

Thus this year we require an especially strong board of directors to carry out the work and time will be given the support and interest of all who have the best interests of the association, and our district at heart.

Make a special effort to be present at the meeting on Friday, week 10, ready to do your part, and encourage the others.

Gleichen School of Agriculture Notes

Yesterday evening witnessed a merry time at the School of Agriculture when the second year students and in structure entertained the freshmen to a social evening. Early in the evening the unfortunate freshmen were greeted by an electrical chain which brought forth roars of laughter from the operators. During the evening games, etc., were played, after which an excellent luncheon was served. During luncheon Miss McNeil gave several excellent piano selections.

Monday afternoon the freshmen were present in the livestock parlors to the year students. Unable to attend the afternoon work at the last party, who quietly asked them to address preparatory to a call shower. Before an angry greeted this request, and amidst a terrific din the first class was turned on the captured freshmen. After an exciting time the door was thrown open and the freshmen of the first class disappeared home, leaving requests on the second year students.

The annual opening drive was held in the Assembly Hall, Wednesday evening. Due to the inclement weather many were unable to attend, but those who were fortunate enough to

Annual Ratepayers Meeting

The annual meeting of the ratepayers of this town and district held Monday night was well attended and proved very interesting, the financial reports of both the Town Council and School Board being accepted without adverse comment, and were most encouraging, which must be very gratifying to the members.

Typewritten copies of both financial statements were distributed at the meeting, and as they are quite lengthy and will appear in these columns shortly it is not necessary to repeat them now.

Acting Mayor Hyndman and each of the councillors present supplied reports at the different departments of which they are chairman. These gave quite a lucid account of the workings of the departments and explained many of the difficulties that have been encountered during the past year. Secretary Theo. H. Underham gave in detail a report of the Fire Brigade's activities and their plans for the future.

Dr. Farquharson as chairman of the School Board had the financial report read and after reviewing the year's work a long discussion was indulged in concerning the probability of a new school district being formed which might cut into the Gleichen district, but as there appears to be no solution to the problem the meeting was declared closed.

Between the hour of 11 and 12 next Monday morning nominations for councillors and trustees will be received at the Town Hall, as well as for Mayor. It is expected there will be enough nominated to ensure an election to the city, unless it be for the mayor's office, and the next election should be a public meeting to allow the candidates an opportunity to express their views.

—Present had an enjoyable time during the evening which was held at the Gleichen school. The music was supplied by the Town Council.

An excellent rink has been provided for the school this year. The different societies have been asked for the second year, and officers elected as follows:

—Present had an enjoyable time during the evening which was held at the Gleichen school. The music was supplied by the Town Council.

—Present had an enjoyable time during the evening which was held at the Gleichen school. The music was supplied by the Town Council.

—Present had an enjoyable time during the evening which was held at the Gleichen school. The music was supplied by the Town Council.

CURLING

Last Thursday evening the local curling team opened with 10 rink entered. The first four games, each night with 12 ends each, were finished Monday evening. 5000 had been chosen by the president and vice-president to play for a trophy and support points to count.

With the result that the vice president and his gang won by points. The score follows:

Next Friday night the supper will be served in the G. W. V. A. hall by the Women's Institute. A number of articles may appear in this that night, according to Town Council.

St. Victor's Bazaar Relieves Over \$400

The annual bazaar, held under the auspices of the Ladies' Auxiliary Society of St. Victor's Church, took place in the Opera House last Wednesday evening. It was a grand success, both socially and financially. Despite the inclement weather, a large crowd thronged out to patronize the event.

The display of fancy work and plain sewing would do credit to a much larger market than St. Victor's. Such where, indeed, Mrs. J. P. Thompson and Mr. Frank Bates. A very dainty lunch was served by the ladies on the formation of the visit guests.

The ladies of St. Victor's church wish to publicly thank the G.W.V.A. for their kindness and generosity in loaning their playhouse and card table, and also to thank the Women's Institute for the loan of their dishes.

The ladies of St. Victor's church wish to publicly thank the G.W.V.A. for their kindness and generosity in loaning their playhouse and card table, and also to thank the Women's Institute for the loan of their dishes.

The ladies of St. Victor's church wish to publicly thank the G.W.V.A. for their kindness and generosity in loaning their playhouse and card table, and also to thank the Women's Institute for the loan of their dishes.

St. Andrew's Church, Gleichen

Dec. 4—2nd Sunday in Advent. Holy Communion, 11 a.m. Sunday School, 10:30 a.m. Evening Prayer, 7:30 p.m. Evening Prayer at Church, 7:45 p.m. Nov. 30, St. Andrew's Day, Holy Communion at 10 a.m. The members of the Women's Auxiliary are specially invited to take part in this service.

Union Church Notes

Miss McGregor, field secretary of the Western Secretary of the Women's Missionary, will address a meeting to be held at Mrs. R. A. Gault's home, on Thursday eve, Dec. 1st. Miss McGregor is a gifted speaker and has had a wide experience in Western Canada. Her visits are always an inspiration to her audience.

The Sunday School has decided to ask for a special collection on Sunday morning, Dec. 11th. The school has had the best year in its history and has been able to meet expenses in addition to a unusual offering on the first offering in each month. There are not, however, sufficient funds on hand to purchase awards and make provision for the Christmas tree. Therefore this appeal.

The Church classes will be resumed next Sunday afternoon at 2:30.

"The Rewardship of Money" will be resumed next Sunday evening. Visitors are always welcome.

The Ladies Circle is industriously preparing for its sale of work, which will be held on Saturday, Dec. 10. The Sunday School entertainment Christmas tree will be held in the church on Thursday evening, Dec. 22nd.

Regular services next Sunday—School, 11 a.m., and evening, 7:30 p.m. Mass is held regularly in St. Victor's Church on the second and third Sundays of each month.

COMING EVENTS

Dec. 5—U. F. A. Masquerade Ball in Hall at 8:30.

Dec. 6—Hockey Dinner and Election Returns at Opera House.

Dec. 6—Dominion Government General Elections.

Dec. 10—Ladies Circle Sale of Christmas goods.

Dec. 14—Fidelity Killing Bee at Gleichen School of Agriculture.

Dec. 18—W. A. Sale of Work and Home-Cooking.

Dec. 23—Christmas Tree and Entertainment in Union Church.

It Beats the White Man's Burden. The Times, High River, Alta. Suppose an editor should just receive, when in thought relieve him by printing all the news that happened to know at that minute. Options would be thrown up, cities arrested, families disrupted, fights fought in every street corner, candidates resigning, ministers leaving for distant points, lawyers taking long vacations, insurance men turning their backs to their desks for a season, bird girls hunting new birds, and so on down a long list of calamities, and the editor would be so upset at what his type could not be destroyed by his own family. A newspaper man doesn't know everything, but his work is such that he hears a lot of common sense, common decency and common sense keep out of his paper.

tion is due the people of Gleichen for their generous cooperation and assistance in making the bazaar such a success. The next issue of 1918 was realized.

Nov. 28—Nov. 29th.

N.R.—Maximum and Minimum reading and precipitation are for 24 hours ending 5 a.m. of the date against which they appear.

Professor Wm. Aberhart, principal of the Crescent Heights High School at Calgary, and principal speaker of the Provincial Conference, Calgary, for the last six years, has consented to give Gleichen a series of lectures, beginning the evening of the 26th of December at the G.W.V.A. Hall, and continuing each evening throughout the week.

Prof. Aberhart is now speaking at the Grand Theatre, Calgary, each Sunday afternoon, and the building is so large enough at times to accommodate the crowd. He is a most forceful speaker and never fails to give the richest food for thought. In fact, he is an exception in this respect, for the subject is the Bible, prophecies and Christ's coming to earth. He weaves the events of the day with the old prophecies, part of which is being taught in our own schools today. No charge for admission.

The W. A. of St. Andrew's Church will hold a sale of work, home-cooking and what drive in the G.W.V.A. hall on Friday evening, Dec. 10th, commencing at 8 o'clock. The "Trip Around the World" has been postponed to a later date.

Every person interested in poultry raising will be glad of the opportunity to attend the Gleichen School of Agriculture December 14th and 15th and see the expert killers and packers kill, dress and pack the birds for shipment. All farmers will be encouraged to lend a hand at the killing bee.

Canada has now risen to second place among the wheat growing countries of the world, according to the estimates of the International Institute of Agriculture. With her yield of 308,925,000 bushels from the 1921 harvest, she is now surpassed in this regard by the United States alone. The vaunted slogan "Granary of the Empire" has come to justify a greater expansion in signification, for the golden fields of the Canadian West are going a long way towards feeding the people of the entire world.

Have you ever stopped to think how this country would fare if there were no forests—no wood to supply the thousand and one necessities of domestic life?

John Evelyn, who sought to wake Great Britain up on the subject of re-forestation of waste land in 1692 said: "Since it is certain and admissible that all arts and artizan whatsoever cannot fail and cease if there were no timber and wood in a nation. . . . I say, when this shall be considered it would appear that we had better be without gold than timber."

A report on the grain yields of the prairie provinces in 1921, issued by the agricultural branch of the Dominion bureau of statistics, show a general increase over the yield in 1920. Provisional estimates of the crop show 308,925,000 bushels of wheat as compared with 234,138,300 bushels in 1920. Oats, 383,135,000 bushels as compared with 314,297,000 bushels in 1920. Barley, 48,619,000 bushels as against 40,760,500 bushels and rye, 23,113,000 bushels as against 8,273,000 bushels.

The total area estimated as sown in fall wheat this year is 842,400 as compared with 792,200 acres in 1920. The area sown this fall represents an increase of six per cent, over the area sown last year.

The Los Angeles Times is in a dreadful sweat because the Yankee girls now have to compete against the English girls for hubbies. Just listen to the Times:

"Lots of English women are coming to this country. If an English girl can raise enough money to pay her transportation and get by the barrier she is glad to take a chance on America. She figures that her chance of securing a husband is about 100 per cent, better than in the homeland. In England the women now greatly outnumber the men, and so the prospect of securing a mate are not good. When they reach this country they begin the pursuit at once. What do the American lads think of an invasion of this kind? First thing we know they will be asking a prohibitive tariff protection against the pauper brides of Europe. Some of our house girls and it hard enough to find a suitable male mate without having to compete with the rest of the universe. A tariff would be a wise thing to their manner of thinking."

Rumor has it that the English girls are very loving creatures and fond of house-ifs, and are setting into the marriage-market of the Yankee girls severely, whose ideas of the modern girl are a little too high-fang for the men. But now that woman have the ballot and protection is in style it is but natural they should seek a high tariff to protect their love affairs.

OUR HOMES

Business Man's View Point

Last Sunday evening Rev. J. H. Lawrie was the speaker in Union Church. Mr. Lawrie made a strong appeal on behalf of the boy and girls and the home. King George said the strength of the nation is in the homes of the people. While admitting the full impact of the depression home-makers are putting too many calls to come between them and the discharge of their highest trust and responsibility.
Mr. Lawrie represents the viewpoint of a group of Calgary business men, who, in the interests of the home and young life of the city and country surrounding, have made provision for his salary and expenses.
Such an enterprise is a hopeful sign and those who heard Mr. Lawrie address on Sunday evening are assured that the business men have secured a first-class representative. Mr. Lawrie should have the earnest assurance of co-operation in the country from all who are interested in the future of our homes, our youth and our country.

E. H. CARSON, Pound Keeper

Community Poultry Killing, Dec. 14-15

The dates set aside for those upon which the poultry raisers of this district can bring in their turkeys, ducks and geese for killing, grading, packing and marketing are Dec. 14th and 15th, and the point at which the slaughtering and killing will be done is the Livestock Pavilion at the Gleichen School of Agriculture. Expert killers and pickers from the Egg and Poultry Marketing Service will be on hand at the school of Agriculture on those days. They will dress the birds, and after the birds are cleaned, will grade and pack them in standard boxes for shipment to the best market available. All birds should be at this killing station on December 14th. At the time when the producer brings in his birds they will be weighed and the market price paid. After the entire lot is sold, and it is found there is a surplus it will be distributed pro rata, according to the number of pounds of each grade supplied by the producer. Complete demonstrations will be given relating to the grading, killing, dressing and packing of poultry for market. All farmers will be encouraged to lend a hand at the killing, thus helping to keep down the cost of preparing for the market.

- Some of the benefits to be derived from the community killing project are these:
1. Reduction of overhead expense.
 2. Reduction in shrinkage loss on shipping live birds.
 3. Reduction in freight charges—(a) Dressed birds weigh less than live birds; (b) Dressed poultry go second class rate—live birds first class rate; (c) No large crates to pay charges on.
 4. Expert killing, dressing and packing ensures uniformity of product.
 5. Cold storage facilities will be used if necessary while awaiting a favorable market.
 6. Co-operative market advantages.
 7. Educational value to poultry raisers.
- Remember the time and place—Gleichen School of Agriculture, Dec. 14th and 15th.

PIANO FOR SALE—Mason & Clark in perfect condition. Apply call office.
WANTED—Bacon house. Phone 58.

STRAY—Red and white heifer, 2 years old, lost in the neighborhood of here 3 months. Joe Desjardins, 381.

WE SELL FARMS

Jones & Lyle,

Office Moved now Over Pioneer Market

GLEICHEN, - ALTA.

We have made arrangements with the E. H. Heath Co., Limited, who publish the CANADIAN POWER FARMER whereby we are able to offer that farm magazine together with our own weekly at the one price for both papers.
The CANADIAN POWER FARMER is Western Canada's biggest farm monthly. It is now in its twentieth year which means that it is thoroughly established throughout the West. It deals with the mechanical side of the farm. Every issue is full of helpful hints and experiences of the operation of all kinds of farm machinery from a washing-machine to a tractor. Its editor has just completed a trip of several months over Western Canada in a motor car for the purpose of studying the mechanical needs of the farmers. He visited the farmers, lived with them and worked with them. The results of his trip will appear during the next twelve months.
This offer may be withdrawn at any time. Without doubt your intention is to receive this weekly, then why not take advantage now. Your subscription to this weekly together with a year's subscription to THE CANADIAN POWER FARMER for the same price as this weekly alone. This is where you make \$1.50 on a bushel of wheat.
Mail your cheque or drop into our office the first time you are in town.

Call subscribers paid to end of next year on request will receive Canadian Power Farmer for one year free.
